Private Performances

We offer the opportunity to sponsor a private performance for your business, staff and clients. Private performances must be arranged prior to tickets going on sale. Nights available for private performances are the first Thursday and the second Wednesday of each production run. For some performances we may be able to arrange a production on the second Tuesday of the performance run. We will also put a half page thank you in our program for your support. Private performances are on a first come first serve basis and are limited to one performance per production so book your performance early! Dinner shows are not eligible.

Ads On Back Of Tickets

This is a good opportunity for your retail or food services business to get ads or coupons directly into the hands of our theatre patrons. We are limited to one sponsor per production so these will sell out fast.
